PROTEUS '77

BREBEUF PREP

Wanted: EDITOR!

THANKS

Thanks to all those who helped make PROTEUS '77 a finished product. I only wish that they numbered more than 5 students.

THANKS

Thanks to John Ryan '78, Business Manager, who did a very commendable job. John was able to make PROTEUS '77 a financial success. Over the past several years the yearbook has been suffering from deficit spending, but this year 150 more books and twice as many sponsorships were sold than PROTEUS '76 can claim.

THANKS

Thanks to Jane Coffey '77, Photo Manager, she did a very good job under most difficult circumstances. She made sure that photos were delivered to my office regularly. She also faced a tough job with sporatic and infrequent help from her photographers.

THANKS

Thanks also goes to Kevin Ferguson '78 and Alex Jakovljevic '78, Assistant Editors, who contributed a major effort in completing this book. During the record heat of last summer Kevin and Alex helped put half the book together. Without them this book would have been many months late.

THANKS

Thanks also to the Cislak Family who completed all of the class pictures.

THANKS

As I type this last page to be finished I find myself concerned who will take my place as Editor. My staff was made up of 4 Seniors and one Graduate. Unless some drastic changes are made this is the last PROTEUS.

Thanks Kevin, Alex, John and Jane

I Remain,

David J. Cislak '78
